

Instructions for February 2009 Free Pattern

Trace:

Trace the pattern using white pencil or mapping pen and white ink. Trace the flowers on a separate sheet of parchment paper.

You may either trace the red card with heart border using pencil and erase the tracings after perforating or you may directly perforate without tracing by positioning the pattern as your guide underneath the parchment paper.

Dorse:

Dorse the roses using your desired medium.

Emboss:

Emboss the lace work. Emboss the spray of roses.

Perforate:

Perforate the design of the lace work . Perforate the heart borders of the red card (including flap) and flowers.

Cut-out:

Cut out all perforated areas.

Finishing:

Position the red card and flap on top of the lace work and glue. Also arrange the roses on top of the red card as shown in the pattern and glue sparingly. Attach a coloured card stock .
