

Instructions for Jan 2009 Free Pattern

Trace:

Trace the pattern using white pencil or mapping pen and white ink. You may trace the spray of violet flowers and butterfly separately.

Colour:

Paint the single spray of violet flowers. You may also dorse using felt tip , coloured pencils, or any similar medium.

Emboss:

Emboss the lace pattern, heart motif, lattice, butterfly and all the smaller flower elements.

Perforate:

Perforate the card borders, lace work, butterfly, lattice heart and flowers.

Cut Out:

Cut out all the perforated areas.

Finishing:

Position the spray of flowers and butterfly to their exact positions as shown in the pattern and glue sparingly. Attach a coloured background to your card and finish off with a ribbon to hold the sheets together.
