

Free Pattern 2008 : Envelope Card (<http://www.julieroces.com>)

Instructions:

1. Print the pattern to your workable size.
2. Trace the pattern using white ink.
3. Emboss: Lace outlines and flowers.
4. Gridwork: Fill up the empty spaces inside the top lace outlines with gridwork .
5. Perforate using the two-needle tool : Around the outer outlines of the lace (top and bottom)except the portion touching the foldline. Also perforate the center cut-out portion of the lace work so that the bottom flower lacework of the card will show when the card is folded. Perforate the side edges of the card.
6. Cut out the two-needle tool perforations.
7. Assembly: Fold the two fold lines on the card following the 2 horizontal lines in the middle of the pattern. You may add a coloured insert to the card.
