

Free Pattern 2008: Mini Lace card (<http://www.julieroces.com>)

Instructions:

1. Print the pattern to your workable size.
2. Trace the pattern using white ink.
3. Emboss the lace work including the flowers and diamond squares.
4. Gridwork: Fill up the spaces inside lace edgings with gridwork.
5. Perforate around the edges of the card using the two-needle perforating tool. The foldline is on top.
6. Cut out the perforated areas.
7. Insert a coloured cardstock inside the parchment card.
